
TWO BAY GREYFOX TO ONQ MODULE MOUNTING PLATE

364819-01 | [On-Q](#)

FEATURES & BENEFITS

Want to connect a Greyfox Intercom System to an On-Q enclosure? No problem. Innovative integration brackets allow you to mix and match products across both product lines for seamless connectivity. This means that you can stick with what you're familiar with - your favorite products will be right there just the way you like them. Imagine the possibilities.

Brackets easily install using tabs & locking push pins.

Greyfox to On-Q Mounting Bracket allows easy integration of Greyfox modules into On-Q enclosures.

Provides space away from the back plane of enclosure for cable routing.
