WI-FI READY OUTLET, WHITE

ARPS15RF2W4 | [adorne](#)

FEATURES & BENEFITS

USAGE

• Perfect anywhere you'd like to upgrade a standard outlet into a smart lighting solution.

• The adorne Wi-Fi Outlet lets you plug in a floor or table lamp and control it from a new location. Simply pair with one of our Wi-Fi Ready Remote Switches and enjoy the total control of Wi-Fi Ready lighting.

• This stylish outlet features two plugs and an on/off switch to stop the flow of power when not needed and conserve energy.

• With a patented shutter system, plugs are tamper-resistant to keep children protected.

• This item is also available in magnesium.

GETTING STARTED

• Time to install: 15 minutes or less.

• Fits existing electrical box and does not require new wires for typical installation.

• Innovative snap-in system ensures easy installation.

• This item is not intended for installation in bathrooms or other spaces that require GFCI. For GFCI options, shop all adorne collection Outlets.

• This item requires an adorne Wi-Fi Ready Remote Switch. Shop now to explore all the innovative options.

• This item requires the adorne Hub. Shop now to learn how Wi-Fi ready lighting solutions can transform your home.

• This item requires an adorne Wall Plate. Shop now to choose from dozens of finishes including a variety of luxurious metals, or order in your own custom finish.

• Looking to integrate other party advanced automation systems? Visit our partners page.
