

WAVE™ SWITCH, WHITE

ASWV1532W2 | [adorne](#)

FEATURES & BENEFITS

USAGE

Perfect for turning the lights on and off when your hands are full or messy, especially in entryways or next to the kitchen sink.

The sleek, contemporary look of the adorne Wave Switch complements innovative hands-free technology that allows you to turn lights on and off with a wave of your hand.

Use on its own to control a light from one location (single-pole operation) or pair with a second switch or dimmer to control a single light source from two locations (three-way operation).

This item is also available in [magnesium](#).
