

MOTION SENSOR SWITCH, AUTO-ON / AUTO-OFF, WHITE

ASOS32W4 | [adorne](#)

FEATURES & BENEFITS

USAGE

Perfect for anywhere you want lights to turn on automatically when you enter a room and off when you leave, such as a pantry or garage.

The Auto-ON/Auto-OFF SensaSwitch provides convenient light control by automatically turning lights on and off via motion-sensing technology.

Use on its own to control a light from one location (single-pole operation), pair with a second switch or dimmer to control a single light source from two locations (three-way operation), or combine with a third switch or dimmer to control a single light source from three locations (four-way operation).

Pair with matching [Motion Sensor Dimmer Switch](#) or to create a uniform look throughout a room or your entire house.

This item is also available in [magnesium](#).
