

4-BUTTON DIGITAL TIMER, BLACK

RT2BK | [radiant](#)

FEATURES & BENEFITS

The radiant® collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes.

This timer controls most types of lighting and features 4-button preset countdown delays in 60-, 40-, 20- and 10-minute intervals with visual indication, turning loads off when no longer needed.

radiant® Screwless Wall Plate not included.

- Offers automated control of lights, fans, and motor loads, reducing energy waste and lowering costs.
- Four preset countdown times of 60, 40, 20, 10 minutes.
- Manual ON/OFF paddle control.
- White LED glows when OFF for easy location in the dark.
- Supported load types: 0-800 VA E-Ballast, MLV, ELV, CFL, LED Drivers, fluorescent or incandescent, 1/6 hp
- Visual LED indicator light will move to next lowest indicator as the timer counts down.
- For covering patents, see www.legrand.us/patents.
