

General Purpose 1000V Insulated Tool Kit 22-Piece

This 22-piece tool kit includes the must-have insulated tools professional electricians need. The high-leverage design of both the side-cutting and diagonal-cutting pliers provides more cutting power while the pivot joint is hot-riveted for smooth action and no wobble. The Cushion-Grip on the round-shank screwdrivers provide greater torque and comfort. The wire stripper/cutting tools, pump pliers and skinning knife provide excellent choices for any job. Forged in the USA with custom, US-made tool steel for maximum durability.

Specifications
