

Positioning Strap, 6-Foot with 6-1/2-Inch Snap Hook

Klein's positioning straps work with Klein's climbing equipment for linemen. Made with exceptionally strong and long-lasting Klein-Kord, the straps are adjustable within a 2' range. Features a Gard snap hook with 5000 lb. (2268 kg) gate strength. The drop-forged, single tongue adjustment buckle has a corrosion-resistant finish. Depending on the application, choose a positioning strap that allows you to work at arm's length from the pole or other positioning anchorage.
