

Upgrade your fan's speed control and stop using those clunky, hard-to-reach fan cords. Now you can adjust the speed of your ceiling fan quietly, and in style, thanks to the adorne Collection. This device features four speed settings and a sleek on/off switch. Use on its own to control a fan from one location, or pair with a 3-way switch and conveniently control a single fan from two locations. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

Features & Benefits

Installs in 15 minutes or less, fitting into an existing electrical box. No new wiring required for typical installation. Features easy on/off control, as well as four speed settings.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Complete the look with a stunning, screwless adorne® Wall Plate, not included. Available in a range of contemporary colors and finishes. Coordinate with other designer switches & outlets.
