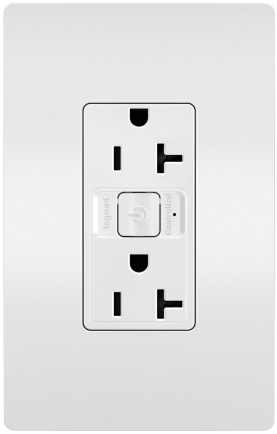
radiant Collection

radiant® Smart 20A Outlet with Netatmo, White

Part No. WNRR20WH



The smartest way to take control of lights and power, optimized for larger homes.

Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, radiant® with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, dimmers and outlets to build a solution that perfectly fits a home's unique space and needs. Options even include wireless smart switches and dimmers for easily adding 3-way control.

Features & Benefits

Smart Gateway REQUIRED

Control lamps or appliances from smartphones and tablets* with the Legrand Home + Control app. Even schedule them to turn on/off automatically, create groups, set scenes and monitor energy usage

Features ultra-reliable performance through a robust and dedicated mesh-network

Can be wired to extend control to all outlets downstream or load side

Protects children with a patented tamper-resistant shutter system that prevents improper insertion of foreign objects, complete with black "invisi-shutters" for an invisible effect

Compatible with other smart products through Amazon Alexa, Google Assistant and Apple HomeKit, as well as with home automation systems

Flexibly fits a home's unique needs with a variety of supported smart switches, dimmers and outlets, including wireless switches and dimmers

Available color options include White, Light Almond and Nickel

Screwless Wall Plate included. Coordinate with other designer switches and outlets available from the radiant® Collection for a cohesive, sophisticated look

Specifications
