

radiant Collection radiant® Spec Grade 20A Self-Test GFCI Receptacle, Ivory

Part No. 2097I

GFCI receptacles from the radiant® Collection self-test automatically every three seconds to ensure reliable protection from shock due to ground fault occurrences. Meeting National Electrical Code requirements for ground fault protection, GFCI receptacles make it easier to recognize and fix trips right where they happen – no more confusion at the breaker box. 20A outlets are ideal for use with larger appliances, as well as to meet regional requirements (Chicago, Canada). GFCI protection is required by code in bathrooms, kitchens, garages, basements, outdoor areas, and for any other outlets found within six feet of a sink or water source. GFCI outlets should always be used when replacing existing GFCI outlets during renovation. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately. Spec-Grade devices are engineered to meet federal specifications for use in commercial installations.

Features & Benefits

Protects against shock caused by ground-fault occurrences. fix trips with a reset button right on the device

Equipped with proven SafeLock protection feature: if critical components are damaged and protection is lost, power to the with feed-thru wiring configuration. Note: Will cut power to outlet is disconnected

construction

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection

Specifications

General Info

Product Line	Pass & Seymour	Color	lvory
Finish	Matte	UPC Number	785007035964
Country Of Origin	China	Number of Receptacles	2
Application Sector	Residential/Commercial	Standard	cULus, UL Listed, FSUL

Listing Agencies / 3rd Party Agencies

cULus Listed	Yes		
Additional Information			
Prop 65 Warning Required	No	Product Environmental Profile	Yes
Technical Information			
Interrupt Rating	4 A	Frequency Rating	60 Hz
Trip Range	4 to 6 mA	Number of Gangs	1
Indoor/Outdoor	Indoor	NEMA Configuration Code	5-20R
Mounting Type	Вох	Voltage	125 V
Environmental Conditions	95% Humidity, UL 94 V2
