

Upgrade your fan's speed control and stop using those clunky, hard-to-reach fan cords. Now you can adjust the speed of your ceiling fan quietly, and in style, thanks to the adorne Collection. This device features four speed settings and a sleek on/off switch. Use on its own to control a fan from one location, or pair with a 3-way switch and conveniently control a single fan from two locations. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

Features & Benefits

Installs in 15 minutes or less, fitting into an existing electrical box. No new wiring required. Features easy on/off control, as well as four speed settings for typical installation.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Complete the look with a stunning, screwless adorne® Wall Plate, not included. Available in a range of contemporary colors and finishes. Coordinate with other designer switches & outlets.
