

adorne Collection
adorne® 20A One-Gang Pop-Out™ Outlet, Magnesium
Part No. ARPTR201GM2

The cleverest way to add power and style, this 20A pop-out wall outlet extends to offer 2-plug access, then uniquely disappears back into the wall with a simple push when not in use. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

Features & Benefits

Perfect anywhere you'd like to hide outlets when not in use, for added style and safety

Provides 2-plug access when extended from wall

Disappears back into the wall with a simple push when not needed

Installs easily in as little as 15 minutes

Comes with a special frame for mounting and requires a deep electrical outlet (22.5 cubic inches). No new wires required for typical installation

Protects children with a patented tamper-resistant shutter system that prevents improper insertion of foreign objects, complete with "invisible shutters" for an invisible effect

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Complete the look with a stunning, screwless adorne® Wall Plate, not included. Available in a range of contemporary colors and finishes. Coordinate with other designer switches & outlets
