QUICK-RELEASE STEP DRILL BITS

Klein Tools' Quick-Release Step Drill Bits have dual spiral flutes to help pull the step bit through the material for faster cutting. The aluminum titanium coating is 10 times more durable than steamed black oxide for longer bit life. Impact rated, the 1/4" hex shank provides a firm, positive grip and allows quick and convenient usage with an impact driver or a drill. Choose from 5 different bit sizes and two convenient kits for a variety of drilling applications.
