## SNOW MELTING SYSTEM (SSC/SSCM)

10  
YEAR  
WARRANTY

CLEAR PATHWAYS, FEWER RISKS OF FALLS AND ACCIDENTS  
LESS DAMAGE DUE TO ABRASIVES, CHEMICALS AND SNOW REMOVAL EQUIPMENT, WHICH PROLONGS INFRASTRUCTURE LIFECYCLE  
AVAILABLE IN MAT AND CABLE FORMATS

Ever wish your exterior surfaces could melt snow? Stelpro's snow melting system has the perfect solution for you. The system is ideal for residential and commercial outdoor areas and cuts down on snow and ice accumulation on the ground. The snow melting system comes in mat or cable format and can be used on driveways, pathways, sidewalks or stairs. It can also be installed under concrete, asphalt and pavers. Enjoy winter in a whole new way this year with Stelpro's snow melting system.
