

## Folding And Slide Out Utility Knife Set

Klein Tools FLICKBLADE Folding Utility Knife and Slide Out Utility Knife 2-Piece Set is engineered for durability, easy cutting and compact carry. Folding knife conveniently locks at 135-Degree and 180-Degree for versatility and use for all applications. Sliding knife features a fold out blade storage compartment and comes pre-loaded with five extra blades. Both knives are bright orange which makes them easy to find in a tool box, tool bag or low light situations.
