

Wiremold
20Amp Device Plate With Tamper Resistant Duplex Plugtail Receptacle Black
Part No. RFBADP20TRBK

Your go-to floor box just got better. RFBA Series Floor Boxes are designed for maximum efficiency throughout an entire building, bringing versatile recessed activations for power and data services to open space areas or directly to workstations. No matter what size you choose, components and accessories work across the entire line interchangeably. Simply mix and match as needed for your project. Improved wire and cable routing makes wire pulling much easier in adjacent compartments and around corners. Available in 2-, 4-, 6- and 10-gang models with a variety of covers, colors and profiles.* Installs in tile, stone, carpet, terrazzo, wood and polished concrete. Perfect for many applications, including schools, financial institutions, commercial office buildings, hospitality and residential.

Features & Benefits

Receptacle is pre-installed for quick installation.

Tamper-resistant Plug-Tail receptacles to meet local codes.

One screw device plate for easy installation.
