

2024 Specification Sheet - English

LONG DESCRIPTION -

Long Description Marketing Copy

Measures AC+DC current and DC microamps. AC and AC+DC voltage measurements with digital filter low pass for accurate readings on variable frequency drives. Also allows linemen to measures DC voltage, resistance, capacitance, temperature and frequency. Tests continuity and diodes

PRODUCT NAME -

Page Title

Clamp Meter, AC/DC (CMI-600) (POP)

PRODUCT OVERVIEW -

Marketing Text 1

Measures AC+DC current and DC microamps

Marketing Text 2

AC and AC+DC voltage measurements with digital filter low pass for accurate readings on variable frequency drives

Marketing Text 3

Also allows linemen to measures DC voltage, resistance, capacitance, temperature and frequency

Marketing Text 4

Tests continuity and diodes

Marketing Text 5

Phase Sequence & Motor Rotation tests

Marketing Text 6

Peak-RMS measures motor in rush current

Marketing Text 7

Backlight & relative mode for added versatility

Marketing Text 8

AmpTip™ increases accuracy on small wires and low current

Marketing Text 9

Two voltage detection modes - non-contact or using a single test lead

Marketing Text 10

Data hold

Marketing Text 11

Measurement tool accurately records Maximum, Minimum, and Average readings

Marketing Text 12

Lifetime warranty

PRODUCT SPECIFICATION -

Product Specification 1

Amperage Measurement: 60, 600 Amps AC+DC

Product Specification 2

Display: LCD, 6000 Count

Product Specification 3

Frequency Rating: Voltage and AmpTip™ current: 50/60 Hz. High current: 50 to 400 Hz

Product Specification 4

Includes: (2) 1.5V AAA batteries, test leads and clips, carrying case

Product Specification 5

Jaw Opening: 1.18" (30 mm)

Product Specification 6

Measurement Category: CAT III 600V, CAT IV 300V

Product Specification 7

Replacement Part: 02714 test leads and clips, TC-10 carrying case

Product Specification 8

Resistance Measurement: 600, 6k, 60k Ohms

Product Specification 9

Standard: CAT III, C/US UL Listed, CE

Product Specification 10

True Power : AC+DC True RMS

Product Specification 11

Voltage Measurement : 600 Volts AC+DC
