#### Page Title

Adjustable Cable Stripper (POP)

### PRODUCT SPECIFICATION –

---

#### Product Specification 1

Application : Cable End Stripping

#### Product Specification 2

Capacity : 8 AWG to 750kcmil

#### Product Specification 3

Finish : Black

#### Product Specification 4

Handle Type : Spring actuated

#### Product Specification 5

Jaw Type : Cable guided hook

#### Product Specification 6

Material : High-strength Nylon

#### Product Specification 7

Overall Length : 7.5"

**Product Specification 8**

Package Type : Clamshell

**Product Specification 9**

Replacement Part : 03961 - Replacement Blades, 05328 - End Plug

**Product Specification 10**

Sub Brand : IBD - Intuitive Blade Design Stripping Tools

**Product Specification 11**

Type : Secondary cable stripper

**Product Specification 12**

Weight : 1 lbs
