PRODUCT NAME –

Page Title

Adjustable Cable Stripper (BOX)

PRODUCT SPECIFICATION –

Product Specification 1

Application : Cable End Stripping

Product Specification 2

Capacity : 8 AWG to 750kcmil

Product Specification 3

Finish : Black

Product Specification 4

Handle Type : Spring actuated

Product Specification 5

Jaw Type : Cable guided hook

Product Specification 6

Material : High-strength Nylon

Product Specification 7

Overall Length : 7.5"

Product Specification 8

Package Type : Boxed - bulk

Product Specification 9

Replacement Part : 03961 - Replacement Blades, 05328 - End Plug

Product Specification 10

Sub Brand : IBD - Intuitive Blade Design Stripping Tools

Product Specification 11

Type : Secondary cable stripper

Product Specification 12

Weight : 1 lbs
