

# KLEIN TOOLS®

## UTILITY CART

TRANSPORT MATERIALS, SUPPLIES, AND  
HEAVY LOADS IN ANY ENVIRONMENT

54831MB

**TALLER THAN STANDARD UTILITY CARTS**

## UTILITY CART

The MODbox™ Utility Cart can transport up to 500 pounds of material in the shop, warehouse, etc. The 39-Inch height creates the ideal jobsite work surface and makes pushing and pulling the cart more comfortable. It features durable 6-Inch rubber wheels that easily travel over rough terrain, top shelf notches to steady conduit and boards for cutting, leg holes for running spools of wire, and side rails that fit MODbox™ tool pouches and accessories.

**Ergonomic handle** with cup holders and extra storage

**Leg holes** fit 1/2" conduit

**Wheel Locks**

**Notches** to steady lumber and pipes

**6" (15 cm) RUBBER CASTER WHEELS**

**TOP SHELF RAIL** FOR ATTACHMENTS
