# ADJUSTABLE-LEG SAWHORSE

The Klein Tools Adjustable-Leg Sawhorse delivers a versatile work support solution with wood beam support arms to allow a pair of sawhorses to be converted into a solid jobsite table; suitable for the jobsite, shop or garage. Durable, construction provides the capability to support material up to 1500 lbs (680 kg) per sawhorse. Optimize the preferred work height by moving the adjustable legs to the desired height. The compact design with simple foldable legs and carrying handle makes this product easy and convenient for transportation and storage.

## EASY TO TRANSPORT

## WOOD BEAM SUPPORT ARMS

## ADJUSTABLE LEGS
