

## Plastic 15" Enclosure with Deep Trim and Hinged Cover

This versatile Plastic 15" Enclosure with Deep Trim and Hinged Door is designed to meet all your networking needs with its spacious 6.2" depth, accommodating larger components like ISP modems and routers. Constructed from Wi-Fi transparent material, it ensures strong connectivity while offering easy installation with a one-piece trim ring and universal mounting grid. Offers a streamlined solution for managing complex home network wiring in single family and high-density living environments.
