

XPO90-SV Silver 90-Degree Express On-Floor Corner **SKU: XPO90-SV**

The 90-Degree Express On-Floor Corner connects Datatracs at a 90-degree angle for design flexibility around corners. The corner sits next to a Powertrac, either on the inside or outside. This accessory eliminates the need for complex on-site modifications for a clean, professional look.

This product replaces its predecessor CT.XPO.1-AC-C90-SV
