

On-Q
6 Outlet Enclosure Surge Protector with One USB-A and One USB-C
Part No. AC1062

Features & Benefits

Enclosure Ready: Designed to seamlessly integrate with all On-Q enclosures and standard power outlets. Whether you're upgrading your home network or organizing your workspace, this versatile surge protector ensures reliable power access where you need it.

Rotating Outlets for Ultimate Flexibility: Both ends of the surge protector feature innovative 90-degree rotating outlets, accommodating larger plugs without compromising access to neighboring outlets.

Effortless Reset: No more searching for hidden switches—our conveniently accessible power cycle button makes resetting your surge protector quick and easy.

More Power, Maximum Convenience: Empower your devices with 6 grounded outlets, plus advanced USB options—one USB-C and one USB-A port. With 1080 Joules of 3-line surge protection, safeguard your electronics while enjoying ultimate functionality.

High-Speed Power Delivery for Smaller Devices: Keep your devices powered with 30-watt USB-A and USB-C ports.

Specifications

General Info

Product Line	On-Q	Color	Gray, White
UPC Number	804428435204	Country Of Origin	Vietnam
Material	ABS Plastic	Number of Receptacles	6
Features	Rotating Outlet, Surge Protection, USB-A Charging, USB-C Charging	Outlet Type	Indoor, Surge Protected, USB-Charging
Application Sector	Residential	Warranty Type	5-Year Limited Warranty

Type	Power Strip		
Dimensions			
Product Width US	1.4 in	Product Weight US	0.64 lb
Product Depth US	1.4 in	Product Height US	2.9 in
Product Length US	6.3 in	Receptacle Spacing	0.53 in
Additional Information			
Energy Savings	No		
Technical Information			
USB Wattage	30 W	USB Amperage	3 A
Number of USBs	2	Amperage	15 A
NEMA Configuration Code	5-15R	Mounting Type	Plug-in
Voltage	120.0 V
