

HVAC Duct Slitter Demolition Driver

Engineered For Piercing, Slitting, And Striking

Heavy-Duty Flared Cushion-Grip™

Prevents slipping and adds a layer of protection from mis-strikes

Oversized strike cap

70% bigger striking surface compared to previous models

Steel Tip-to-Cap Connection

Withstands striking and prying during heavy demolition work

Duct Slitter Tip

Unique tip design ideal for slitting and piercing ductwork

Square Shank Design

Allows easy wrench assistance to provide extra leverage and torque

Optimized For Duct Piercing

Perfect for hammering and engineered for slitting and starting holes in ductwork

Engineered To Last

Featuring a complete steel tip-to-cap connection, this set withstands heavy-duty striking and prying
