

A modular charging pedestal designed for versatility, supporting multiple chargers and mounting configurations.

- ✔ **Modular design:**  
Allows for six different optional configurations\*
- ✔ **Engineered for durability & stability:**  
Black powder-coated steel construction
- ✔ **Larger conduit entries:**  
Wider base for larger wire sizes
- ✔ **Easy ground mount installation:**  
Mounting onto a concrete pad is recommended.

The Universal XXL Pedestal supports the following:

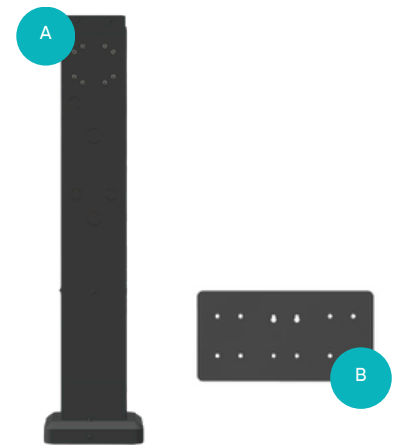

- Watti Pro Lite (Single, dual back-to-back, dual side-by-side)
- Watti Pro Gen2 Slim (Single, dual back-to-back, dual side-by-side)
- Watti Pro Echo (Single)
