

KC35 2" PVC COUPLING PUSH FIT GREY KWIKON

Product Code	Alt Code	Size
189672	KC35	2"

With no special tools or equipment needed, Kwikon's unique snap-on couplings quickly and easily join or terminate ENT and provide a concrete-tight connection. The unique "six locking tab" design creates a strong, pull-out resistant and concrete tight seal. Kwikon couplings are also UL Listed for use with Schedule 40 or 80 conduit.

FEATURES

- Six locking tab design for a strong, concrete-tight connection
- Quick and easy snap-on design
- UL listed for use with rigid conduit
- Concrete-tight connection
- Made from high strength PVC
