CAK02

Profile bracket for compact enclosures

CONNECT AND PROTECT

Description	for MKS, MKD.
Item no.	CAK02

Description: Profile bracket to extend mounting possibilities on our steel, compact enclosures frame providing an additional mounting surface. The bracket has two round (diameter 4.3 mm) and three square (10x14 mm) holes, alternated on a pitch of 25 mm allowing a flexible approach to the installation of accessories.

Material: 2 mm zinc plated steel.

Pack quantity: 2 pieces with mounting accessories.

The profile bracket extends mounting possibilities, which increases flexibility in terms of the placement of various equipment.
