Manage lights and power, from anywhere, with the Legrand Home + Control app.

- Smart Gateway required to create a robust, dedicated network for ultra-reliable whole-home usage
- Allows advanced control of lights and power from anywhere
- Works with Amazon Alexa, Google Home and Apple Home
- Add wired or battery-operated wireless remote switches and dimmers anywhere you want easy 3-way or one-touch scene control.

*Includes Microban antimicrobial protection.

EASY KITS

Add On-Wall Control.
No New Wires.

Enjoy an average of 85% time-savings while getting more go-ahead projects.

Easy 3-Way Switch Kit, White	Easy 3-Way Dimmer Kit, White	Easy Switched Outlet Kit, White
WNREZK10WH	WNREZK50WH	WNREZK15WH
Add a wireless switch for control of a light or fixture from a second on-wall location. Ideal for spaces without 3-way wiring.	Add a wireless dimmer for light-level control of a light or fixture from a second on-wall location. Ideal for spaces without 3-way wiring.	Add a wireless switch for on-wall control of a lamp or other plugged-in appliance. Ideal for rooms without overhead lighting.
KIT INCLUDES: (1) radiant® Switch with Wall Plate (WNRL10WH); (1) radiant® Wireless Switch with Wall Plate (WNRL23WH)	KIT INCLUDES: (1) radiant® Tru-Universal Dimmer* with Wall Plate (WNRL50WH); (1) radiant® Wireless Dimmer with Wall Plate (WNRL63WH) *The Tru-Universal Dimmer is designed to work with virtually any 120V dimmable bulb or fixture.	KIT INCLUDES: (1) radiant® 15A Outlet with Wall Plate (WNRR15WH); (1) radiant® Wireless Switch with Wall Plate (WNRL23WH)

Replace an existing switch, dimmer or outlet with the kit's wired device (neutral required), then simply mount the included wireless switch or dimmer to any wall with the provided adhesive – no cutting or wiring required – to add multi-location control in seconds.
Devices come pre-paired, no configuration or smart gateway required for operation.
Additional wireless switches/dimmers can be purchased separately and paired for on-wall control from even more locations.

Outlets

Power your life with radiant® outlets that exceed safety standards for any room, charge smart devices without clunky adaptors and seamlessly blend in with your décor.

- GFCI outlets self-test every 3 seconds for greater ground fault protection
- Nightlights illuminate any space without sacrificing an outlet
- Built-in USB charging simplifies powering phones, tablets and small laptops
