### "High pitch "chirp""

**PROS**

**CONS**

**BEST USES**

**Comments about M18™ Cordless LITHIUM-ION System M18 FUEL™ 1/2" Drill/Driver Kit:**

Just as the revolutions of the drive come to a stop, there is a very high pitch "chirp" sound that actually becomes irritating to my eardrums. I don't know if this sound is characteristic of the brushless motor, but I've yet to try another to compare with. Other than that, it is a great drill.

### "Goes through concrete like butter."

**PROS** Durable Easy to use High Power Output Short Charge Time Versatile

**CONS**

**BEST USES** Building Maintenance Industrial Construction Machinery Maintenance Manufacturing Remodeling  
Residential Construction

**Comments about M18™ Cordless LITHIUM-ION System M18 FUEL™ 1/2" Drill/Driver Kit:**

This new "Fuel" drill was more than I wanted to spend, but you get what you pay for. This drill has the quality and performance I would expect from a Milwaukee product.

**BOTTOM LINE** Yes, I would recommend this to a friend

## "Great Drill/Driver"

**PROS** Durable Easy to use High Power Output Short Charge Time Versatile

**CONS**

**BEST USES** Building Maintenance Industrial Construction Machinery Maintenance Manufacturing Remodeling Residential Construction

**Comments about M18™ Cordless LITHIUM-ION System M18 FUEL™ 1/2" Drill/Driver Kit:**

I would not hesitate to recommend this product to any of my friends, family or professional looking for a great versatile drill/driver. Milwaukee did a great job on the M18 Drill/Driver.

In my current basement renovation the M18 has been surpassed any other drill I have owned in the past. The balance and grip are very comfortable and the power/torque has been more than I have needed thus far. I have also found the built in work light is a very nice feature.

**BOTTOM LINE** Yes, I would recommend this to a friend

## "Amazing performance!! great company!!"

**PROS** Durable Easy to use High Power Output Versatile

**CONS** Some positions are awkward

**BEST USES** Building Maintenance Industrial Construction Machinery Maintenance Manufacturing Remodeling Residential Construction

**Comments about M18™ Cordless LITHIUM-ION System M18 FUEL™ 1/2" Drill/Driver Kit:**

I work in a fast paced production facility. i was due for a new drill, got a loaner from the saskatoon rep and it is beautiful. very compact and light. Keeps full torque till battery death! definatly recommend this Drill to someone who is hard on their tools and needs a powerful compact.

**BOTTOM LINE** Yes, I would recommend this to a friend

## "Best driver drill I ever used."

**PROS** Durable Easy to use High Power Output Short Charge Time Versatile

**CONS**

**BEST USES** Building Maintenance Industrial Construction Remodeling Residential Construction

**Comments about M18™ Cordless LITHIUM-ION System M18 FUEL™ 1/2" Drill/Driver Kit:**

I used the driver drill to install a new door on my garage. I set 3" screws in treated lumber with no problem. Battery lasted for the total project.

**BOTTOM LINE** Yes, I would recommend this to a friend

# "Great drill"

**PROS** Comfortable Durable Easy to use High Power Output Light Short Charge Time Versatile

**CONS**

**BEST USES** Building Maintenance Home jobs Remodeling Residential Construction

**Comments about M18™ Cordless LITHIUM-ION System M18 FUEL™ 1/2" Drill/Driver Kit:**

This drill is great. I love the light feature in dark corners. I had a little trouble getting the battery to sit right in the charger at first but haven't had any "Real" issues with it. I feel as though I bought a quality product.

**BOTTOM LINE** Yes, I would recommend this to a friend
