

Terminators, 75 Ohm

364412-01

Provides constant 75 ohm termination, limits leakage of RF on used to unused coax outlets and ports.

features & benefits

Used to unused coax outlets and ports.

specifications

General Info

Cable Type: RG6
Color: Brass
quantity: 10
Type: Coaxial Terminator

Listing Agencies/Third Party Information

UN SPS C: 32101527

Technical Information

Mounting: Open Coax Outlet
Ohm Value: 75 ohms
